Important information
This document sets out the terms and conditions of your cover and it is important that you read it carefully. There are different levels of cover available. The cover you hold will be set out in the accompanying policy schedule. If changes are made, these will be confirmed to you separately in writing.

Each section of cover explains what is and is not covered. There are also general exclusions (things that are not included) that apply to all sections of the cover, and there are general conditions that you must follow so you are entitled to the cover.

Cancellation
You may cancel this policy within a 14 day cooling off period commencing from the agreement of the contract (which is the renewal date for renewal policies) or the receipt of your documents, whichever happens later. If a claim has been made or you cancel your policy after 14 days, no part of your premium will be refunded or returned to you.

If you cancel the policy outside the 14-day period, as long as you have not made any claims, you will receive a refund of your premium for the amount of time left to run on the policy, less an administrative charge of £15.
We may cancel this policy by giving you at least 14 days’ written notice at your last-known address if:

- You fail to pay the premiums after we have sent you a reminder to do so. If we have been unable to collect a premium payment, we will contact you in writing requesting payment to be made by a specific date. If we do not receive payment by this date we will cancel your policy by immediate effect and notify you in writing that such cancellation has taken place.

- You refuse to allow us reasonable access to your vehicle to provide the services you have asked for under this policy or if you fail to co-operate with our representatives;

- You otherwise stop keeping to the terms and conditions of this policy in any significant way; or

- The cost of providing this policy becomes prohibitive.

If we cancel the policy under this section, we will refund the premium paid for the remaining period of insurance, unless you have made any claims. We can refuse to renew any individual policy.

We may cancel this policy without giving you notice and without refunding your premium if you:

- Make or try to make a fraudulent claim under your policy;

- Are abusive or threatening towards our staff; or

Section A – AXA Roadside

The cover in this section will only apply if the premium has been paid.

What is covered

• If the vehicle breaks down more than 1 mile from your home, we will arrange and pay for a breakdown vehicle to come to the vehicle (for up to one hour) to try to get it working again.

• If the vehicle cannot be made safe to drive at the place you have broken down, we will arrange for the vehicle, the driver and passengers to be recovered to a repairer or a destination of your choice within 15 miles of where you have broken down.

• If you lose or break your vehicle keys, we will pay for the call-out and mileage back to our rescue operator’s base. You will have to pay all other costs including labour for replacement or repair of your keys.

What is not covered

• A breakdown at or within 1 mile from your home.

• Travel outside the UK

• You will need to pay any additional mileage over 15 miles

• Anything mentioned in the general exclusions. (Please see section E.)

Section B – AXA Rescue

The cover in this section applies in addition to the cover shown in Section A. It will only apply if it is shown on your current policy schedule and if the premium has been paid.

What is covered

If the vehicle cannot be made safe to drive at the place you have broken down, and cannot be repaired the same day at a suitable local garage, we will choose the most appropriate solution from the following options, taking your circumstances into account:

Option 1: nationwide recovery: we will take the driver and up to six passengers, together with the vehicle, at your request, to either where you were originally travelling to or your home address. We will then arrange for the vehicle to be taken to a suitable repairer for it to be repaired at your cost, provided this can be done in one journey.
Option 2: overnight accommodation: we will pay the costs for bed and breakfast for one night only in a 4* or equivalent hotel.

Option 3: 24-hour UK hire vehicle: we will pay up to £100 for alternative travel or a hire vehicle for up to 24 hours. You will be responsible for returning the hire vehicle and collecting your repaired vehicle. You must meet the conditions of the hire-car company to be able to hire a car.

Incapacitated driver:
As well as the benefits above, if during the journey, the driver becomes unable to drive through injury or illness they have gained during the journey, and there is no one else able or qualified to drive the vehicle, we will recover the vehicle, driver and passengers to either finish the journey or return you to the place you were originally travelling from. You will need to provide a medical certificate for the driver before we provide this benefit.

What is not covered
• A breakdown at or within 1 mile from your home.
• Travel outside the UK
• The provision of rental motorcycles
• Anything mentioned in the general exclusions. (Please see section E.)

Section C – AXA Rescue & HomeAssist
The cover in this section applies in addition to the cover shown in Sections A (and B). It will only apply if it is shown on your current policy schedule and if the premium has been paid.

What is covered
• If the vehicle breaks down anywhere at or within 1 mile from your home, we will arrange and pay for a breakdown vehicle to come to where you are for up to one hour to try to get the vehicle working again.
• If the vehicle cannot be made safe to drive at the place you have broken down, we will arrange and pay for the vehicle, the driver and up to six people to be taken to a suitable local garage (normally within 15 miles), for it to be repaired. You must pay the costs of any repairs.

What is not covered
• Travel outside the UK
• Anything mentioned in the general exclusions. (Please see section E.)

Section D – AXA European
The cover in this section applies in addition to the cover shown in Sections A, B and C. It will only apply if it is shown on your current policy schedule and if the premium has been paid. Please ensure you carry your V5 registration document with you during your journey. Regulations are different when you break down in Europe and help may take longer to arrive.
General notes relating to Europe

If you break down on a European motorway or major road, generally we cannot help you and you will often need to get help using the SOS phones. The local services will tow you to a place of safety and you will have to pay for the service as soon as possible. You can then contact us if you need more help. We will pay up to £100 towards the costs, but we will only refund claims when we have received a valid invoice or receipt. We will pay you in line with the exchange rate on the date of the claim. If you have broken down in a European country during a public holiday, many services will be closed. In these circumstances you must allow us time to help you and repair your vehicle. We will not be held legally responsible for any delays in you reaching your destination.

D1 - Before travel abroad starts
The benefits shown under section D4 below also apply in the UK, as long as you break down during your journey.

D2 - Help at the roadside and towing in Europe
• If your vehicle breaks down, we will come to where the vehicle is located. We will arrange and pay for your vehicle, the driver and up to six passengers to be taken to a local garage (normally within 15 miles) for it to be repaired. You must pay the costs of any repairs.
• After the theft or attempted theft of the vehicle or its contents, we will pay the costs of repairing the damage to your vehicle or pay for replacement parts up to £200, which are needed for emergency repairs to make your vehicle secure.

What is not covered
• Any amounts for making the vehicle secure once you have returned to the UK.
• Sending you home if the vehicle can be repaired but you do not have enough money to cover the repair.
• Anything mentioned in the general exclusions. (Please see section E.)

Before travelling, it is recommended that you consult the laws of the country you are planning to visit. Before you travel, you should make sure that you check the documents you need to carry by law.

As a guideline, we recommend you take the following documents in case you need them by law in the countries in which you might break down:
• Photocard driving licence and supporting documents
• Insurance documents
• MOT certificate
• Logbook (V5 registration document)

The above is not a full list and is for guidance only.

D3 - Delivering replacement parts

What is covered
• If replacement parts are not available locally to repair the vehicle after a breakdown, we will arrange and pay to have the parts delivered to you or an agreed place as quickly as reasonably possible.

What is not covered
• The actual cost of replacement parts and any customs duty. You must pay us this using a credit card or debit card or any other payment method we agree is suitable.
• Any amount for getting parts, if the replacement parts can be bought locally.
• Anything mentioned in the general exclusions. (Please see section E.)

D4 - Not being able to use your vehicle

What is covered
If during your journey your vehicle breaks down and it is not safe to drive, and it will take at least twenty four hours to repair, or if it is stolen and not recovered within twenty four hours, we will arrange and pay for the most appropriate solution from one of the following options:

• To move you, your passengers and luggage to where you were originally travelling to, and then, once your vehicle has been repaired, take you back to your vehicle or bring your vehicle to you; or
• The cost of hiring another car while your vehicle is being repaired. We will pay up to £70 a day and £750 in total, as long as you are able to meet the conditions of the hire-car company; or
• We will pay for bed and breakfast costs of up to £80 for each person each day (£500 in total for everyone in your group) while your vehicle is being repaired, as long as you have already paid for your original accommodation and you can’t get your money back.

What is not covered
• The cost of fuel or lubricants you use in the hire vehicle.
• Replacement parts.
• Any insurance you have to pay to the hire-car company.
• Anything mentioned in the general exclusions. (Please see section E.)
D5 - If you become ill or injured and can’t drive

What is covered

• If, during the journey, the driver cannot drive because of an injury or illness, and there is no one else able or qualified to drive the vehicle, we will recover the vehicle, driver and passengers to either finish the journey or return you to the place you were originally travelling from. You will need to provide a medical certificate for the driver before we provide assistance.

What is not covered

• Anything mentioned in the general exclusions. (Please see section E.)

D6 - If you can’t use your own vehicle to get home

What is covered

If after a breakdown your vehicle is still not repaired or safe to drive when it is time for you to go home, we will pay for reasonable alternative transport to get you, your passengers and your luggage to your home, and up to £150 towards other travel costs in the UK while you wait for your own vehicle. We will also pay storage charges (up to £100 while your vehicle is waiting to be repaired, collected or taken to the UK).

We will then choose the most appropriate solution from the following options:

• take your vehicle to your home or your chosen repairer in the UK; or
• pay the cost of one rail or sea ticket (or an air ticket if the rail or sea trip would take more than 12 hours) for you to go to get your vehicle once it has been repaired.

What is not covered

• Any costs you would have paid anyway for travelling home.
• The costs of returning your vehicle to the UK if we believe that the cost of doing so would be greater than the market value of your vehicle in the UK, after the breakdown.
• The costs of returning your vehicle to the UK if repairs can be done locally and you are not willing to allow this to happen.
• Anything mentioned in the general exclusions. (Please see section E.)

1. The vehicle must be permanently registered in the UK and, if appropriate, have a current MOT certificate and valid road fund licence/tax disc on display. The vehicle should be kept in a good condition and have been serviced regularly in line with the manufacturer's recommendations. Cars over 10 years old must have paid the appropriate additional premium for the benefits shown in the AXA European section.

2. We can ask for proof of outbound and inbound travel dates.

3. If we arrange for temporary roadside repairs to be carried out after damage to the vehicle, or we take the vehicle to your chosen place, we will not be legally responsible for any more help in the same incident.

4. We have the right to refuse to provide a service if you or your passengers are being obstructive in allowing us to provide the most appropriate help or if you or they are abusive to our rescue controllers or our recovery operators.

5. We will not pay you any benefit unless you contact us using the emergency phone numbers provided. You must not try to contact any agent or repairer direct.

6. You are responsible for keeping the vehicle and its contents safe, unless you are not able to or you have an arrangement with us or our agent. You must be with the vehicle at the time we say we expect to be there.

7. You must quote your policy number when you call for help and have the relevant documents needed by the repairer, recovery specialist or our chosen agent.

8. You will have to pay the cost of moving the vehicle or a repair vehicle coming out to you if, after asking for help which you are entitled to, the vehicle is moved or repaired in any other way.

9. We are not responsible for any actions or costs of garages, recovery firms or emergency services carrying out work or acting on your instructions or the instructions of any person acting on your behalf.

10. If we pay a claim under any cover provided by this insurance, we will be entitled to ask for all reasonable help from you to take action in your name to get back our costs from another organisation.

11. The vehicle must carry a serviceable spare tyre and wheel for the vehicle and any caravan or trailer attached to the vehicle. This condition does not apply if the vehicle is not designed to carry a spare wheel.

12. We have the right to choose a suitable garage that is able to carry out a repair, which you must pay for, as long as the garage can carry out the repairs within the specified time limits.

13. Where you agree to a temporary roadside repair, you will be responsible for any costs and/or any damage to the vehicle you incur if you continue to drive the vehicle as if a permanent repair had been carried out. You acknowledge...
that a temporary roadside repair is intended only to re-

mobilise the vehicle so it may be driven to a suitable facility
to enable a permanent repair to be carried out.

14. If the vehicle needs to be taken to a garage after a
down, the vehicle must be in a position that makes it
reasonable for a recovery vehicle to pick it up. If this is
not the case, you will have to pay any specialist recovery
fees.

15. You will have to pay for any parts or other products used to
repair the vehicle.

16. We will not arrange for help if we think that it would be
dangerous or illegal to repair or move the vehicle.

17. During any 12-month period we will not be responsible for
more than two claims which arise from a common fault on
the same vehicle. We will not be responsible for more than
seven claims in total. If you need our help more than the
number of claims allowed on your policy in a 12-month
period of cover or more than twice for the same fault on
the same vehicle, you will have to pay for the services we
provide. We will ask for a credit-card number or debit-card
number before we help you.

18. If you are covered for breakdown by any other insurance
policy or warranty, you must tell us.

19. If you are not willing to accept our decision or our agents’
decision on the most suitable type of help, we will not pay
more than £100 for any one breakdown, and you will be
responsible for any additional costs incurred in the recovery
and/or repair of your vehicle.

20. We cannot guarantee that hire cars will always be available
and we are not responsible if they are not available. We
will do our best to arrange a vehicle of the same size as
yours, but we cannot guarantee that there will be tow bars,
bike racks, roof boxes, or other accessories included. You
must meet the conditions of a hire-car company to hire a
vehicle. Replacement motorcycles are not available.

21. This insurance contract is between you and us. Any person
or company who is not party to this insurance policy has no
right under the Contracts (Right of Third Parties) Act 1999 to
enforce any condition of this insurance policy. This does not
affect any other rights another organisation has apart from
under that Act.

22. We may cancel this policy by giving you 14 days notice by
recorded delivery to your last known UK address and will
refund the amount of your premium proportionate to the
unexpired term of your policy provided you have not made
a claim.

23. All payments shown in this document are inclusive of VAT
unless otherwise stated.

Automatically renewing the policy

To make sure you continue to be covered after you renew the policy, we will aim to automatically renew your insurance, if you have chosen this option. In all cases we will contact you before your renewal date to tell you the cost of your breakdown cover. This includes any changes to the policy that will apply from the date you renew. Automatically renewing your policy means we will keep your payment details securely on our files so that we can take your premium at your next renewal. Each year we will contact you beforehand to remind you that this is happening. If you do not want to renew your policy, or want to change any of your details, please let us know 15 days before your renewal date.
Cancellation Rights
If you find that this cover does not meet your needs, please contact us on 0800 232 1588 within 14 days of receiving this document and they will arrange for us to cancel this policy. You will receive a refund of your premium provided you have not made any claims.
